The FSO of the (name of company/organization) handed to me the Notes concerning the handling and custody of classified information (documents/material/equipment) to be carried by me.

I have read and understood their contents.

I shall always retain en route the classified information (documents/material/equipment) and shall not open the package unless required by the Customs Authorities.

Upon arrival, I shall hand over the classified information (documents/material/equipment) intended for the receiving company/organization, with receipt, to the designated consignee.
